Incident Finding / Overall Case Finding

Description of Incident	Finding	Entered By	Entered Date
It is reported that the subject refused to follow directions to go into the main holding cell in preparation for going to court. The subject reportedly told the involved officer, "I'm not going to court, I will fight you." The involved officer attempted to escort the subject into the cell but stiffened her body and pulled away from the involved officer. The involved officer took out her can of "mace" and told the subject that she would spray her if she did not go into the cell. The subject ignored that verbal command and the involved officer discharged her "mace". The subject turned her head and the spray struck her on the neck and face. The subject entered the cell without further incident and was allowed to wash in cold water. The subject made no complaint of itching or burning.	(None Entered)
